

ALWAYS LEEDS ALWAYS LOYAL

LEEDS UNITED SUPPORTERS CLUB

GETTING FANS TO
GAMES SINCE 1919

Secretary's Notes

A warm welcome to all fans players and officials from both clubs to this evening's game.

Leeds have made an excellent start to the new Premier League season taking seven points from the opening three games, a better start than we could have hoped for.

Our last home game saw the team triumph 3-0 versus a Chelsea side that is expected to be challenging at the top of the table. Leeds outfought and outplayed our London rivals in such a stylish manner and the atmosphere and support from the stands was as good as it gets.

It was difficult to pick a Player of the Match and any one of the Leeds side would have been a worthy winner. My personal choice would be to name the whole team! The performance and scenes at the end of the game were amazing and we hope for more of the same this evening under the Elland Road lights.

Enjoy the game.

Chris Hall

MALTA

During the Annual General Meeting of LUSC Malta on 24 July, the members had a very pleasant and great surprise. In the middle of the meeting, Dominic Matteo walked in and sat among the members!

Says branch secretary Tonio Galea: "As soon as we realised who was among us, the meeting was stopped, and everyone welcomed him with open arms.

"Dominic was on holiday in Malta with his family and got to know about the meeting through social media. So he jumped in a taxi and came to look for us. He was very receptive to all present and offered to have a question-and-answer session with the members.

"What an honourable gesture from a former Leeds captain. He even stayed after the meeting chatting with those who remained. Thank you, Dom Matteo from all the Maltese supporters!"

LUSC Malta has now appointed Matteo as their first honourable member.

ARCHIE GRAY

Leeds United Supporters Club is proud and honoured to have Archie Gray as our sponsored player for the 2022/23 season.

At the tender age of just 16 years Archie is the youngest player that we have sponsored. He comes from a good pedigree and it is great that we are one again linked with the Gray family as Eddie Gray is a former president of LUSC. Just like the club we have high expectations of Archie and look forward with great anticipation in watching his progression and we look forward to him making his full debut.
